

DOMINIC JOHN STEVENS

Name: DOMINIC JOHN STEVENS

Gender: Male

DOB: 01 Jun 1965

Resume:

Dominic Stevens was appointed Managing Director and Chief Executive Officer of ASX in August 2016. He was an independent non-executive director of ASX from December 2013 until his appointment as CEO.

Dominic has broad experience working in capital and derivatives markets. He is familiar with the challenges and opportunities presented by Australia's growing pool of funds under management, and the increasing reach of global regulation.

Prior to ASX, Dominic was the Chief Executive Officer and Managing Director of Challenger, having previously held senior roles overseeing Challenger's capital, risk management and strategy.

Dominic began his career at Bankers Trust Australia where he ultimately held responsibility for the Australian derivatives business and Bankers Trusts' global metals and agricultural commodity derivatives businesses.

*** Note: Calculation Methodology Excess return is calculated as the total share return for the director's company while acting as a director compared to an equal weighted total return for that company's sector. If a director joins the board of a second company, the total return from the first company is divided equally in two, with half applied to the second company. The reverse occurs should a director be in two companies, only to revert to being in a director for one company
